Opportunities Unlimited

Phantomaire

1961 - Volume 4

Because of the unlimited opportunities offered to each student at Jordan-Matthews, we, the annual staff, have chosen OPPORTUNITIES UNLIMITED as the theme of our 1961 PHANTOMAIRES. It is our hope that through our presentation of these opportunities, you shall become more aware of your own potential—and better prepare yourself for the future.

"Four things come not back:

The spoken word;

The sped arrow;

Time past;

The neglected opportunity."

DEDICATION

To you, the people of Siler City, who instigated and promoted the scholarship, Youth Preferred, we, the Jordan-Matthews Chapter of the National Beta Club, do dedicate our 1961 PHANTOMAIRES. Because of your interest in our school, and your contributions to the students at Jordan-Matthews, we wish to express through this dedication, our most sincere gratitude.

IN MEMORIAM

In memory of Mr. Cad N. Bray, whose loyalty, unselfishness, and concern for others, made him loved by all.

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.
And he left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead—he is just away.

James Whitcomb Riley

Opportunity to guide . . .

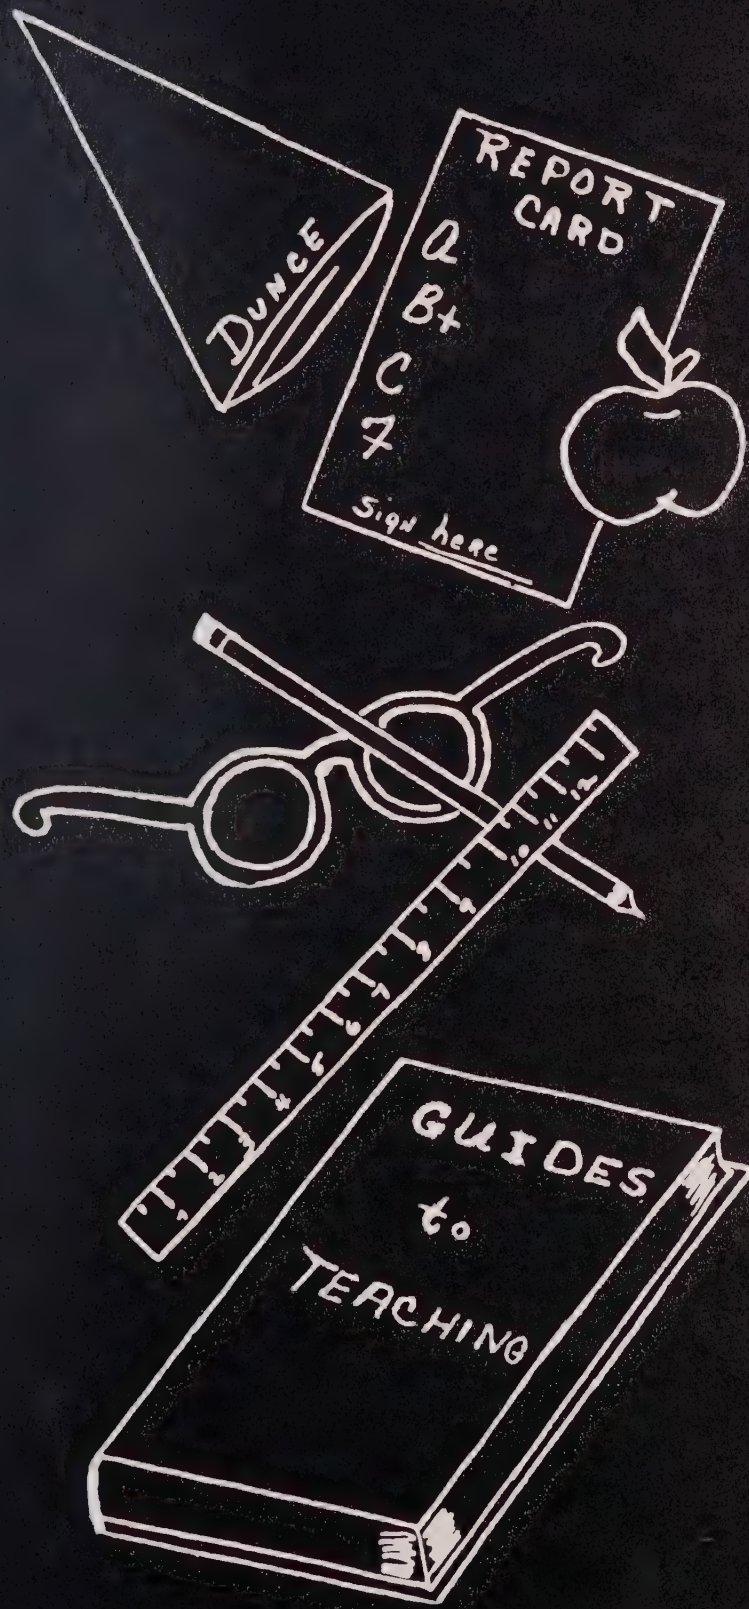

"The greatest trust between man and man is the trust of giving counsel." Leadership by our faculty, principal, and school board is perhaps one of the most influential factors of our high school life. Because of their concern for our future welfare, and their interest and guidance in our activities, we are admonished daily to adhere to principles and practices which will make us better citizens of tomorrow. From their knowledge we learn, from their experiences we profit, from their services we benefit.

Leadership

To each student, a successful high school career is of vital importance. For many, it is a terminal point in formal education; for others, it is a point of embarkment for further study. In either case, many hours of preparation and work are involved.

Thus, I challenge each student to fall short of nothing less than accomplishing his very best, as he works toward the completion of his high school years. This can be done if he takes advantage of the opportunities each day.

Our local school board, left to right: Mr. Burnace Hancock, Mr. Jim Morris, Mr. Norman Jordan, Mr. John Farmer, and Mrs. Cecil Budd.

The mathematics department offers courses which are designed to fit the needs of each individual. A varied selection, including General Mathematics; Beginning, Intermediate, and Advanced Algebra; Plane and Solid Geometry; Trigonometry; and Business Arithmetic are offered. All of these courses help students to think quantitatively and to reason logically. There are advanced courses for those who are preparing for careers in mathematics and related fields. Ultimately, the chief objective is to cause the student to discover the aesthetic as well as the practical values and benefits of mathematics.

Math

Accepting the challenge of present-day trends in education, the science department, with its courses in general science, biology, chemistry, and physics, creates enthusiasm and interest in contemporary achievements and stimulates the thinking of students to pursue a scientific profession. The participation in the television physical science program enables the students to progress rapidly. The renovation of the laboratory and the addition of new equipment and supplies have made this one of our outstanding departments. Study in this department offers an opportunity for experimentation in the field of science.

Science

The development of the ability to meet situations that involve social relationships is the chief contribution of the social studies department to the individual and the school program. The development of being historically minded; an awareness of the interdependence between man and his environment; that democracy is the fundamental pattern for group living in America are the phases of practical emphasis.

Ultimately, the particular objective of the program is to get the student to see the world about him as a place in which he lives and works, and to get him to assume responsibility for making it a better place for himself and others. Through a concentrated study of community, national, and world problems, the students cultivate habits of thinking and acting which may, in time, bring about reform and a lasting world peace.

Social Studies

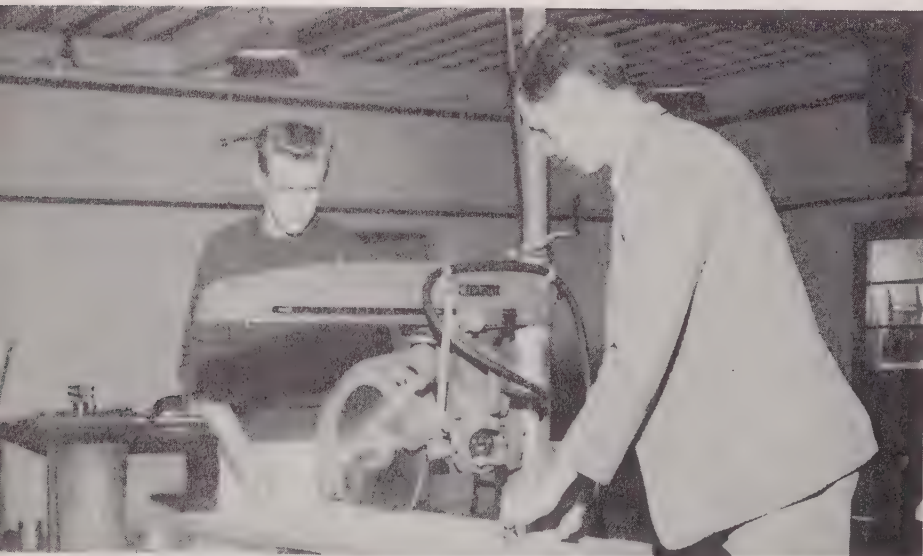

The music department at Jordan-Matthews affords an opportunity to students for participation in singing and band. Members of the band and glee club look forward to increasing opportunities in the future as their place in school life develops and as they continue to represent the school to the outside public.

Music

Commercial

Our commercial department endeavors to develop skills, attitudes, and understandings that are essential for the successful direction of day-to-day business operations. A wide choice of business-educational subjects are offered, including Shorthand and Business English taught alternately each year, Bookkeeping and Accounting, Office Practice, Beginning and Advanced Typewriting. The twofold objective of this department is to prepare business students for employment and to give typewriting and bookkeeping skills to all that desire them.

The vocational department concentrates its efforts on providing opportunities for the exploration of student interests. Courses in Diversified Occupation, Agriculture, Shop, Mechanical Drawing, and Home Economics make up this department which basically endeavors to challenge vocational students to experiment with their ideas and skills.

Vocational

English

It is the challenge of our English department to give continued instruction in the mechanics of writing and the comprehension of reading. Through these medians we recognize the possibilities of effective expressions. Training for free and natural expressions coincides to achieve the indispensable task—effective expressions—in the social development of individuals.

Intensive study is carried on in the library where under the direction of our librarian, Mrs. Lane, we may use the available reference material for research in varied fields.

Through the study of foreign languages, Spanish and Latin, students increase their knowledge of the speech, literature, arts, and customs of different nations. This opportunity promotes a keen interest in people of other lands. Here we seek to create a spirit of understanding and co-operation with peoples of other nations and with problems common to all.

Foreign Language

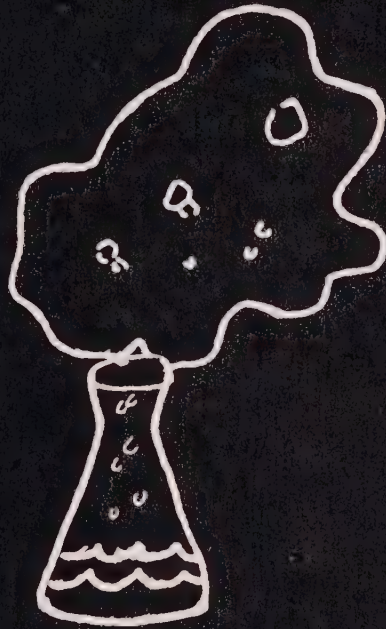

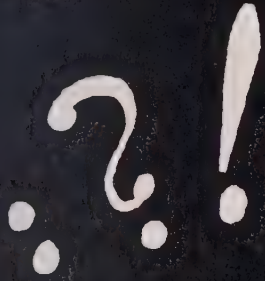

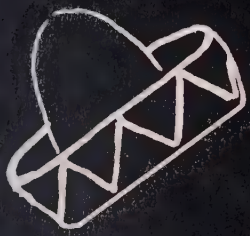

Opportunity to learn . . .

"Men are not to be judged by what they do not know, but by what they know and by the manner in which they know it." We are keenly aware today, more than ever before, that the doors of tomorrow will open to those who are best prepared. Therefore, we are challenged to apply our minds in mastering the fundamental basic teachings and techniques offered at Jordan-Matthews so that we may pursue in a successful manner the career we choose. The well-rounded curriculum promoted by our school insures each student of an opportunity to learn if he is sincere in his quest for knowledge.

Opportunity to participate . . .

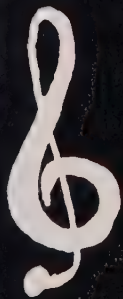

"Be content with your surroundings but not with yourself till you have made the most of them." The students at Jordan-Matthews have the opportunity of taking part in many school activities. Certainly through this phase of school life, the foundations of a career are strengthened as the students accept places of leadership and participate in discussions, programs, and projects. Our school offers eleven clubs to which students may belong and thereby practice the art of learning to live in a co-operative and beneficial manner with their fellow-men.

Beta Club

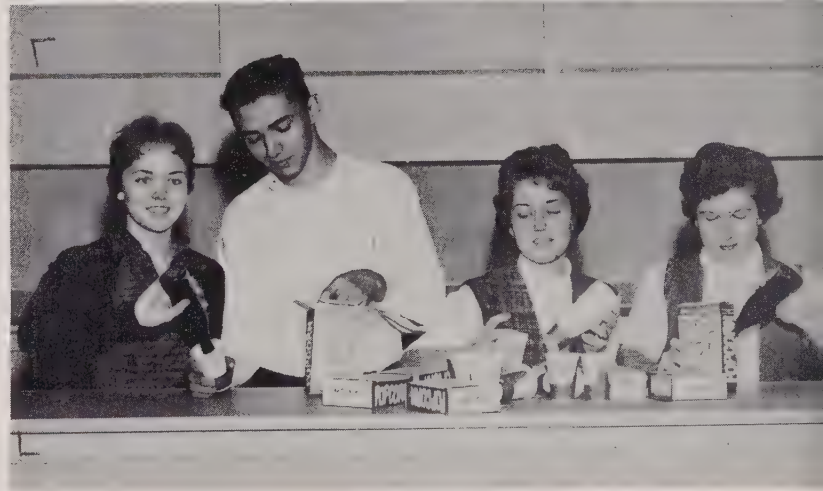

The Beta Club is a national, non-secret achievement-service organization. Its purpose is to promote honesty, service, and leadership. Members are selected at the end of each school year from the sophomore and junior classes. To be eligible for membership, one must possess good qualities of leadership, scholarship, and character.

Meetings are held the third Wednesday of each month under the leadership of Mrs. Mae Lane and Mr. Murray Andrew. The Beta Club sponsors the annual each year. Members of this club work diligently in the concession stand at ballgames to amass a fund for the year's project.

A Girls' Monogram Club meeting at Bill's.

The usual gab after Monogram meeting.

Girls' Monogram

The purpose of the Girls' Monogram Club is to maintain school spirit, uphold the ideals of athletics and good sportsmanship, and to foster projects beneficial to the school.

To become a member a girl must have earned a letter in basketball or in cheerleading.

This club holds a dinner meeting at Bill's Good Food on the second Thursday of each month.

President, Sister Budd; Vice-President, Patsy Fox; Secretary, Peggy Adams; Treasurer, Betty Ellis.

New girls invade the school on initiation day!!

We, the members of the Boys' Monogram Club of Jordan-Matthews High School, are organized to promote and uphold the athletic standards of our school. We pledge ourselves to co-operate fully with the faculty, our fellow students, and coaches in bringing about a better athletic program for our school.

This year we have sponsored a Brunswick Stew Supper and Homecoming. For our year's project we are selling Jordan-Matthews monogrammed jackets and sweatshirts.

The purpose of the Library Club is to promote the reading interests of the students and to aid in keeping the library neat and attractive. The members serve as library assistants. Other projects of the club involve keeping the main bulletin board up-to-date and keeping a school scrapbook. Membership in this club is open to any student who has an eighty average and a special interest in the library.

The purpose of the Crosby-Adams Music Club is to stimulate an appreciation of music through study and participation.

Regular dinner meetings are held on the third Thursday of every month under the sponsorship of Miss Ruth Smith.

Bible Club

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

The Bible Club seeks to inspire the

student to increase his interest in obedience to the Word of God. Members are encouraged to influence each other in setting good examples of Christian living.

Fourth row: Skippy Parrish, Freddie Andrews, Teresa DeBrule, Diane Estridge, Bonnie Pleasants, Hilda Durham, Betty Dowd.

The Future Teachers of America seeks to enable its members to study the qualities related to successful teaching; to develop an appreciation for our democratic educational heritage; and to secure information on vocational opportunities in education. Through pre-vocational activities, potential teachers develop a readiness for teacher education and are motivated to choose appropriate fields of preparation.

Mrs. Gladys Brewer, Mrs. Mamie Lee Foust, and Mrs. Sara Wrenn are sponsors for the Future Teachers of America.

The Jordan-Matthews Marching Band is a school organization which, while seeking to stimulate the mind of a student and to improve his ability to cogitate, provides good recreation for the students involved. It helps to build the character and improve the ability of all its students by giving them a goal to work toward and a feeling of accomplishment when they reach that goal.

The J-M Band has come from its growing pains of infancy to an organization worthy of high acclaim. And it will continue to grow!

Band Officers—Allen Clapp, President; Ann Liles, Secretary-Librarian; Bob Fields, Treasurer—discuss future plans with Band Director, Mr. Lindsay Jones.

Student Representatives

Student representatives meet to discuss plans for Business Education day.

KENDALL BUCKNER
Chief Student Representative

Local businessmen visit our school.

This year Kendall Buckner was elected chief representative for Jordan-Matthews High. Working with him are the presidents of each class and of all clubs.

These school representatives have acted as guides for visitors to the school on special occasions, such as Business Education day when some thirty businessmen and women observed in our classes. They have also represented the school before civic clubs and at other times when a spokesman for the school has been needed.

The representatives have acted more or less in lieu of Student Council, which has been inactive and is in the process of reorganization.

Opportunity to compete . . .

"There's no defeat in life
Save from within;
Unless you are beaten there,
You're bound to win."

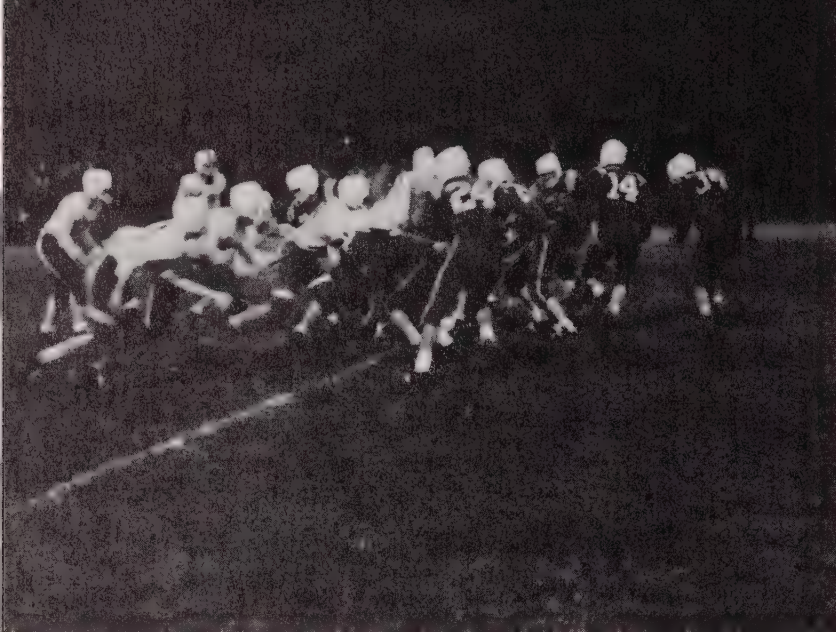

Win or lose, relative to a score, we feel there is always a victory if our team plays the game to the best of its ability and exhibits good sportsmanship. In the competitive sports at Jordan-Matthews—football, basketball, softball, baseball, and track—the students have an opportunity to develop physically and to portray a spirit of co-operation and goodwill toward one another and toward their competitors.

CAPTAIN ROBERT HEADEN

PHANTOMS RAP CHATHAM CENTRAL, 54-0

The Jordan-Matthews football team officially opened their 1960 football season with an overpowering victory over Chatham Central. The Blue Phantoms scored four times on the ground, three times in the air, and once on a pass interception as the outmanned Bears fell to the scoring onslaught.

YELLOW JACKETS TOP PHANTOMS, 27-6

Sanford's Yellow Jackets, in the second game of the season, posted a 27-6 triumph over J-M's Blue Phantoms in a non-conference battle for the two elevens.

Siler City prevented a shutout in the final quarter by getting its lone TD, Rob Womble galloping 43 yards for the touchdown.

J-M DOWNS RIVAL LIBERTY

J-M combined a crushing offense and a rock-ribbed defense to down arch-rival Liberty Bulldogs, 28-13. The Phantoms' ground attack, sparked by fullback Will Siler and halfback Robert Headen, continually battered the Bulldogs. Leading a strong defense were Robert Franks, Ken Buckner, Will Siler, and Don Powers.

CAPTAIN WILL SILER

SILER CITY ROCKS RANKIN—SILER STARS

J-M racked up 473 yards to whip the Rankin Rockets of Greensboro, 51-0. The Phantoms completely dominated the ball game, and did not let Rankin penetrate beyond J-M's 32 yard line.

The win gave the Phantoms first place in the CTH with a 2-0 conference mark.

PHANTOMS LOSE TO HAW RIVER, 14-6

Suffering their second defeat of the year, the Blue Phantoms of J-M were defeated by the Haw River Indians, 14-6.

Only J-M TD came in the first half when Robert Headen threw to Earle Frazier for three yards and a score.

PHANTOMS DEFEAT RANDLEMAN FOR LOOP LEAD

Taking the lead in the Central Tar Heel Conference, the J-M Phantoms defeated Randleman, 26-4, to break a tie between the two teams for the top spot.

Will Siler was the big gun for the locals, scoring three of the four touchdowns.

Joe Gunter, Will Siler, Robert Headen, and Bob Robbins, all backfield men, contributed mightily to the win with their fine running.

AA JORDAN-MATTHEWS TRIUMPHS OVER AAAA PAGE HIGH

The Phantoms of J-M pulled one of the greatest upsets of the year when they downed the highly touted 4-A Page Pirates of Greensboro, 14-13.

A defense spearheaded by Mike Seals, Don Powers, Ken Buckner, and Larry McPherson held the Pirates to 25 yards in the second half. The offensive punch of Will Siler, Bob Robbins, and Robert Headen ground out necessary yardage to enable the Phantoms to score the upset.

BLUE PHANTOMS WHITEWASH PITTSBORO, 41-0, IN HOMECOMING GAME

Rugged line play and a potent offense propelled the Jordan-Matthews Blue Phantoms to a 41-0 victory over the Pittsboro Dragons at homecoming. The Phantoms were in complete control of the game as the Dragons could not penetrate beyond the locals' 30 yard line.

PHANTOMS TROUNCE SUMNER, 27-7, FOR TAR HEEL LEAGUE TOP SPOT

J-M won the CTH conference championship in an impressive win by overpowering the Sumner Indians. The J-M defense, led by Jimmy Dixon, Don Powers, and Will Siler, held the Indians to one touchdown, while the Phantoms racked up four TDs.

Another TD for J-M.

Halfback Rob Womble catching touchdown pass.

Phantoms display power at Homecoming.

MEBANE STUNS PHANTOMS WITH 14-0 WIN

A rugged, tight defense and a powerful offense enabled the Mebane Tigers to gain a 14-0 victory over the Jordan-Matthews Blue Phantoms. The Phantoms, unable to cope with the hard-charging Tigers, were held scoreless for the first time this year.

PHANTOMS LOSE TO HANES

J-M's Blue Phantoms lost to Hanes High of Winston-Salem in the first game of the Western District playoffs for the state championship.

A chain of unlucky breaks and injuries to key players kept J-M from continuing the championship race.

Final score of the game was—Hanes 34, J-M 13.

*Best of luck in
the future. It has
been nice knowing

Mascot

"Who we yelling for? JMH!!!!" These sounds from Justice Field and Justice Gymnasium are indicative of the school spirit of J-M. Through their participation at bonfires and pep rallies, through their promotion of "Lick 'em Week," their use of the "victory hoop," and by their election of the "Most School-Spirited" boy and girl, our cheerleaders have made this an eventful year.

Opportunity to excel

"...steadfast application to a fixed aim is the law of a well-spent life." It is chiefly because of the desire and perseverance of a student that he reaches a goal which he sets for himself. In achieving such a goal, he reaps honors not only for himself but also for his family and school. We give special recognition to those who at Jordan-Matthews have excelled in the areas of beauty, popularity, leadership, and scholarship.

... Teenage Set

Nancy and Fred both write weekly columns for "The Chatham News." Nancy, a senior, informs the students and public of school activities. Fred, a sophomore, is enthusiastic in providing good sports coverage for Jordan-Matthews in his column.

To meet that Tuesday deadline is often a headache. It is remarkable that these two have not failed yet in their race against time.

Outstanding

Each year at commencement an award is given to the football player whom the coaches agree has shown the most aggressiveness during the season. Shown above is Dean Clark who received this most coveted award.

Opportunity to patronize . . .

"Patronize your hometown" might be the slogan any town would promote. Certainly we students of Jordan-Matthews would re-emphasize and encourage this slogan for our town and take every advantage to practice it. Our merchants are very school-spirited. They have contributed to our school drives, supported our athletic teams, attended many school functions, and advertised in our year-book. By our patronage we have an opportunity to express to them our thanks for the many things they have done and continue to do for us.

Ministering to our physical needs of food and cleanliness, the custodian and cafeteria staff are always alert in performing their important duties. The bus drivers give of their time and energy to provide efficient transportation for us every day. Without the co-operative practices of each of the groups, we could not have the effectual administration that we enjoy. Because of their untiring efforts to serve us well, they deserve our vote of thanks.

Autographs

Mary Alice,

Well the time has finally rolled around for your departure from dear old J. M. H. You really are going to be missed next ^{year} by all, but especially by me.

I shall never forget the good times we have had together since I have gotten to know you. I think you are a real sweet girl and have such a nice personality. I'm sure you will be a great success in anything you attempt in life.

Sure hope you will have a nice time at Guilford next year, but be carefully with all the boys up there, share them with the other girls ha! ha! ha!

But be sure and not get your mind on the boys to bad, because remember you have got to make those swell grades at Guilford that you made at old J. M. H. I sure you will anyway though.

Just think of all the fun we have had together during the week-ends and during school. All the funny jokes, each others problems and difficulties we have been faced with, but in the end they, worked out fine and were solved. thank goodness!

Shall never forget the dear old ride down towards ??? with ??? Remember! I will never take that ride again, will you?

Be careful with the old Chev. Don't tear it up here!

Don't ever forget those Geography classes, draw, draw, spell, spell.

Sure had to see you go. Sure will miss you.

Love,
Clarice

Many Alice,

Autographs

Well Kist, I guess our high school fun is just about over. But like you say we can have fun in any thing we do are in. We speak from experience don't we?

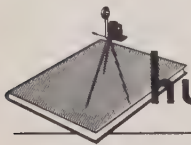

Remember when you came to Silver City in the 8th grade we wouldn't speak to each other or have any thing to do with each other. But things sure have changed haven't they?

Remember last year we would name our fellows by names so no one else would know who we were talking about. Boy, weren't we smart "then". We think we are now but I doubt it sometimes, don't you?

Last year I had just got my license but Mother wouldn't let me have the car so when we did go it was in your "chevy". Boy didn't we have some good times last year. Last year we wouldn't think of going to Lamberts and parking or going in side like we do now. We thought Lamberts was just a "lucky" place just like all the things that hung around there. But I am afraid our opinion has changed about the place as well as who hangs around it.

Remember when we went riding around with Jerry W. and T. W. and all of the crowd that was with us. What about that Plymouth. We didn't think

A Product of

Hunter Publishing

COMPANY

333 INDIANA AVENUE
WINSTON-SALEM, N.C.

we would every see those boys again but we did. I
date W. R.

Remember last year when we went to the fair
you won a dog after throwing about 3 times and I
tried to win one to, but didn't. We didn't catch
us a man but it wasn't because we didn't ~~try~~.

Remember when we went to Liberty to go to
church and we went through town and caught 2.
while we were on the street taking to them. The
preacher came by. But who cares?

Remember our crew from Sanford Bennett, Bear
Creek, Liberty well you name them. That is just a
start, wouldn't you say.

What about that time we double-dated with
Denson and Ray, boy wasn't that a night.

That is enough of old times let's talk about
the present.

We are seniors in High school and I guess we
are two of the best friends that has ever hit this
place.

M. A. I think you are one of the nicest girls I have
met. (and I ought to know) and also the sweetest. (don't let
that go to your head)

I hope you have a wonderful time next year ^{at} and
sent some of the men down my way.

next year when we go our separate ways I sure
hope you remember me and all the things we did
together because you are one of the nicest friends I have
